## ABOUT **TRASH IT**

At Trash It, we are committed to delivering top-tier refuse bags that combine strength, durability, and environmental responsibility. Our refuse bags are crafted from 100% recycled plastic materials, ensuring premium quality while promoting sustainable practices. We believe in creating products that not only meet the highest standards of performance but also contribute positively to our planet.

Choose Trash It for refuse bags that deliver superior performance while supporting a greener future.

## OUR MISSION

To provide eco-friendly waste management solutions that set the standard for quality and sustainability.

## OUR VISION

To lead the industry in sustainable practices by producing refuse bags that exemplify strength and durability without compromising environmental integrity.

## OUR VALUES

**Quality:** Our refuse bags are designed to withstand some of the toughest conditions, offering unmatched durability with a 99% quality guarantee.

**Sustainability:** We prioritize the use of recycled materials, reducing our environmental footprint.

**Innovation:** We continuously strive to improve our products and processes to better serve our customers and the environment.
